

# NGARUAWAHIA HIGH SCHOOL

Te Kura Tuarua O Ngaruawahia

25th February 2020

Kia ora whaanau,

Ngaruawahia High School has accepted the Governments Donation Scheme for 2020 where the school will receive \$150 from the government per student to fund what was previously school donations made by parents.

The only exception to this is that the school can ask for donations for overnight camps/trips. Curriculum based or core related learning programme costs cannot be charged for as a fee.

We can still charge for non-curricular activities such as sports (if your child chooses to participate), non-curricular trips, student ID's and uniforms.

If you have an automatic payment set up with the school, you may be paying too much. This will depend on what extra curricular activities your child will participate in.

If you would like further information or would like to discuss costs please contact the school office.

Regards
